Elba's interim police chief rescinds job resignation

by Linda Hodge, Editor

Elba still has an interim police chief while city officials continue to accept applications for the position of Chief of Police.

Last week, it was reported that interim chief Shayne Arnett had turned in his resignation with the Elba Police Department to accept a job with another law enforcement agency. His last day at Elba was to be Friday, Oct. 15. However, on Friday, Oct. 15, Arnett rescinded that resignation, according to Mayor Tom

Maddox.

Arnett remains the Interim Chief of Police for the City of Elba at this time. It is unknown if he plans to apply for the Chief of Police position vacated recently when Leslie Hussey resigned from the job.

Applications for the Chief of Police position will be accepted until end of business on Friday, Oct. 29, 2021. The chief of police is an appointed position by the Elba City Council. Applications are available at Elba City Hall.

ELBA MAN DIES IN TWO-VEHICLE CRASH IN COFFEE COUNTY...Emergency personnel responded Thursday morning, Oct. 14, to the scene of a two-vehicle automobile wreck on County Road 376 that claimed the life of an Elba man. Alabama State Troopers investigated the wreck, and said the accident happened at approximately 8:55 a.m. last Thursday morning when a 2014 Jeep Cherokee [pictured above in the center of the roadway], driven by Robin Taylor Fleming, age 50, of Andalusia, Ala., crossed the center line of the road and collided with a 1993 Chevrolet S-10 truck, being driven by John Ira Folmer, age 66, of Elba. Folmer was pronounced dead at the scene. The wreck was approximately eight miles east of the Elba City Limits on Coffee County Road 376. Also responding to the scene were members of the Coffee County Sheriff's Office, Elba Volunteer Fire Department, and Enterprise Rescue. No further details were released by Troopers regarding this fatal accident.

Miranda Russell was affirmed to the Elba City Board of Education last Thursday, Oct. 14th. She recently was appointed by the Elba City Council to fill the board seat vacated by longtime board member Gladys Yelverton.

Elba BOE accepts resignation of high school secretary in special meeting

by Linda Hodge, Editor

The Elba City Board of Education met Thursday, Oct. 14, in a special called meeting, and on the agenda was the resignation of the high school secretary.

Superintendent Chris Moseley said he had received a resignation from Pope resigning her position as secretary at the Elba High School office. He recommended the board accept that resignation.

A motion was passed unanimously by the board to accept Pope's resignation.

Pope was placed on administrative leave from the job on Sept. 23rd after school leaders became aware of an investigation into alleged criminal activity by her. She was arrested Tuesday, Oct. 12, and charged with a "school employee engaging in a sex act with a student under the age of 19." That is a felony charge.

Also, during the called meeting, the board welcomed new member Miranda Russell to her recently appointed seat. She was appointed by the Elba City Council to fill the unexpired term of longtime board member Gladys Yelverton, who resigned the post.

NOTICE:
The regularly scheduled board meetings for the Elba City School Board will be held on the following dates:
Tuesday, Nov. 16
December Meeting is "To Be Announced" but this meeting could be cancelled due to the holidays

The meetings are held at the Elba City Schools Central Office on the school campus at 5:30 p.m. unless otherwise announced.

Board president DeAnn Grantham read an affirmation document for Russell. At the conclusion of the reading, Russell affirmed she would accept the duties placed upon her to be a member of the Elba Board of Education.

She was welcomed to the board by her fellow members and the superintendent.

The board was scheduled to conduct its regular monthly meeting Tuesday evening, Oct. 19, of this week; however, that meeting had not concluded as of press time this week. Look for details from that regular meeting in next week's edition of The Elba Clipper.

TWO INJURED; ONE AIR LIFTED FROM WRECK SCENE MONDAY MORNING...The intersection of U.S. Highway 84 and Alabama Highway 141 claimed two more vehicles Monday morning, Oct. 18, when an accident was reported just after 7 a.m. Upon arrival on scene, emergency responders found that a 2011 Mercedes SUV and a 2017 Ford Taurus had collided. The Mercedes came to a stop off the roadway while the Ford was in the middle of the roadway's median. It appeared the driver of the Mercedes was traveling on Hwy 141 and pulled into oncoming traffic, in which the Ford was traveling, thus causing the collision. Both drivers were injured in the accident. The driver of the Mercedes was air lifted from the scene, and the driver of the Ford was transported to an area hospital by ambulance. No further details had been made available by Alabama State Troopers as of press time this week.

Coffee County EMA director reports continued decrease in COVID cases

Coffee County EMA officials noted Friday, Oct. 15, that COVID-19 cases and hospitalizations had continued to decrease over the last two weeks in Coffee County.

"Our positivity rate has also dropped with Coffee County now rated at a 'substantial' [rather than 'high'] community transmission rate on the ADPH surveillance dashboard," said Coffee County EMA director James Brown last Friday.

He said two weeks prior that Alabama was averaging about 1,000 new cases per day, according to ADPH NAAT test numbers, but as of last Friday, that average had dropped to 583 per day throughout the state.

"This is a drop of more than 40 percent per day from our last report on Oct. 1st," Brown said. "In Coffee County, our numbers show 26 positive NAAT tests in a seven-day period or a little less than four per day."

As of Friday, Oct. 15, Brown said the positivity rate in Coffee County was 8.6 percent for the COVID virus.

"Again, we would ideal-

ly like this below five percent, but our rate has had a sharp drop over the last month," he said.

Hospitalizations and deaths continue to be the main concern, but Brown said that is showing better numbers too with a significant decrease in hospitalizations going from 1,321 cases in Alabama hospitals on the 30th of September to 793 cases on Oct. 15th.

"The rate of climb on deaths also has slowed significantly though it can take several weeks to process cause of death," Brown said. "On Sept. 30th, we showed 182 total deaths in the county. That number increased by six over the last two weeks leaving us with a total of 188 deaths due to COVID [in Coffee County] since the beginning of this pandemic."

Brown further noted that the COVID vaccination rate had seen only a slight increase over the past few weeks. As of Friday, Oct. 15, he said 39.89 percent of the county's eligible population had completed at least one dose of the vaccine while 33.43 percent had completed the dosage series.

Area Happenings

THE ELBA CITY COUNCIL will meet Monday evening, Oct. 25, at 5:30 p.m. for its regular bimonthly meeting. Following the Elba City Council meeting, the Elba Water and Electric Board will conduct its monthly meeting. Both meetings will be held at Elba City Hall. The meetings are open to the public.

THE DAY WIREGRASS CHAPTER 22, located in New Brockton, Ala., will conduct its October meeting on Thursday, Oct. 28, at 6 p.m. at the New Brockton Senior Center. Those attending are asked to bring a covered dish. All active-duty military and veterans are invited. For further information contact Charles Lobdell at 334-718-5707 or Mike Doran at 334-406-6700.

ELBA COMMUNITY BONFIRE...A community bonfire was held last Thursday evening, Oct. 14, in the grassy lot next to Tiger Town Park in downtown Elba. A large crowd was in attendance to "cheer on" the Elba Tigers football team, cheerleaders, and band. Above, Elba band danceline member Keelie Moseley dances to the Elba High School "Fight Song" while the bonfire blazes in the background.

"There are no secrets to success. It is the result of preparation, hard work, and learning from failure." - Colin Powell

Another @%\$# automobile wreck at the intersection of U.S. 84 and HWY 141, West of Elba. These happen so often the real news is a week when there happens to be no wrecks at this intersection! It has been bad enough ever since the 4-laning of Hwy 84 was completed but with the detouring of Hwy 331 around Opp onto this route, the wrecks seem to have become more frequent and more intense. The Alabama highway department reportedly has all sorts of excuses for not doing something to reduce these events, but frankly we consider them just that . . . excuses! There are several options at their disposal, and this shouldn't continually include shrugging their shoulders and going back to the coffee pot for a refill. They have engineers on the payroll who should be trained in remedies for the dangers at this type intersection. Several of the comments we hear from drivers involved in these all too frequent wrecks include - not realizing Hwy 84 is a divided highway; thinking it is a 4-way stop intersection; blaming the driver on Hwy 84 for speeding; the list goes on and on. However, the bottom line is nothing changes and these wrecks continue. Will it take some important person getting killed - or God forbid a school bus loaded with children involved - before something positive is done? We see their blood, their tears, their mangled bodies, and feel their pain, we photograph the damaged cars and again ask why? No person in Alabama should quietly accept the ongoing do-nothing statue of improving the safety conditions at this intersection.

Shortages are nothing new these days. Therefore, we warn you that if you plan on a Butterball turkey for Thanksgiving it might be a good idea to get it now! The company announced last Friday the recall of 14,000 pounds of turkeys. That is a bunch of gobblers!!

Redistricting is coming . . . but when? The state has a committee working feverishly to present a plan that will be acceptable to the Alabama legislature and meet the 'equal' number standards. Whatever plan they present in the next week or so will please some and offend others. It is not unheard of for the districts to be drawn to benefit a particular political party, establish 'safe' racial districts, etc. When we see the end results it will be anyone's guess which political or social faction is pleased and just who is upset.

Those who remember Charles Schulz's comic strip "Peanuts" know that Charlie Brown would routinely go up to the football, being held for him on the tee, only to have it snatched away just before his foot got to the ball. This happened year in and year out. That is except on September 12th, 1956 he actually kicked the ball! The last panel was the dog's (we forget his name) ears standing straight up and the words over him were "Now, that sure was a dirty trick!" Now you know 'the rest of the story.'

A group in California has begun training high school seniors as truck drivers, with enough training to pass the CDL driving test. This will help the shortage of over-the-road truck drivers and is a great deal for these young folks - that is if companies can find an insurance company that will insure them!

We belong to the group who admired the late General Colin Powell and are saddened by his death.

Editor's Note: Cuzin Lou Lou's tales are to be enjoyed as a light-hearted form of Southern expression

Cuzin Lou Lou and Sister took note last Saturday night of how fans acted at a University of Tennessee football game, and the two sisters, for once, were in agreement. Lou Lou said those folks deciding it was 'okay' to throw water bottles, mustard bottles, golf balls, and whatever else onto the field simply because they did not like a ruling by the officials obviously didn't have the rearing she and Sister got from Mama and Papa! Sister concurred!!

Mama, more so that Papa [because she was the disciplinarian in the family], helped Lou Lou and Sister realize at a young age that it was never 'okay' to litter or react to things in such a disgraceful manner. If Mama had been in charge at that football stadium last Saturday night, none of those caught littering

would have been able to leave until every little piece of trash was picked up and placed in the garbage. Further, Mama would have explained to those throwing the trash [and other items] that they were not true fans of the college nor the sport. If they were true fans, they never would have stooped to such a low level.

What an embarrassing night for that college football team as their fan base acted like they had no Southern upbringing at all. Lou Lou bets there were several "Mamas" out there that night ready to tan some hides for that mess.

Lou Lou and Sister get into some pretty interesting adventures from time to time, but acting like those Tennessee fans will never be something they are accused of any day soon.

Until next time...God Bless and Keep Smiling!

Coffee County Probate Judge speaks at Sept. 28th Elba Lions Club meeting

The Elba Lions Club met Tuesday, Sept. 28, at the National Security Conference Center, and guest speaker was Coffee County Probate Judge Jodee R. Thompson.

After Judge Thompson shared her background and education credentials, she described some of the duties of a county probate judge.

As Judge of Probate, she is the Chief Election Officer of Coffee County. She serves, along with the Coffee County Sheriff and Circuit Court Clerk, as chairperson of the boards which oversee the election process. She appoints all the local election officials.

Judge Thompson encouraged the members present to vote in all elections and reminded them the next primary election will be May 24, 2022; a runoff, if necessary, will be June 21, 2022; and the general election will be Nov. 8, 2022.

Another of Judge Thompson's responsibilities involved car tags. Everyone who has ever owned a vehicle in Coffee County has possibly had experience with either buying a tag or changing a title on a vehicle. Judge Thompson attributes the ease of the processes with capable staff in place in both the Elba and Enterprise offices.

Judge Thompson encouraged all Lions Club members to have a viable power of attorney. COVID had made this almost a necessity. If a person is physically unable to take care of finances, as well as other important decisions, this document will give an individual's person of choice the responsibility over these matters. She also encouraged everyone to have a Will. Without one, an individual has no control over what happens to his assets or debts after his death.

Judge Thompson made the attendees aware that the probate court also oversees adoptions and involuntary commitments. She asked

members to contact their representatives to encourage them to allocate more funds for mental health. She said there are never enough resources for the many cases being heard.

Judge Thompson ended her presentation by saying, "Being the probate judge is the best job I have ever had."

Club president Leo Brown recognized two other guests, Barbara Cole and Ted Roberts. Following this recognition, a business session was held, and Kay Mack was elected to serve as vice president.

Recognition also was given for some donations made recently. The next meeting will be Tuesday, Oct. 26th.

Zion Chapel Bass Team members perform well on Lay Lake

The Zion Chapel Bass Team's second tournament for their third season was productive for all the teams. They fished Lay Lake, located 35 minutes south of Birmingham, which was familiar territory for some of the team members but totally new for others.

Lay Lake is one of the oldest impoundments in Alabama; it dates to 1914 and covers about 12,000 acres in St. Clair, Talladega, Shelby, Coosa, and Chilton Counties. Running fifty miles along the old Coosa River channel, it offers anglers more than 289 miles of shoreline.

Along with the Headland Bass Team, Zion Chapel Bass Team hosted the tournament. As host teams, they provided extra hands in setting up and breaking down the staging for the weigh-in.

SOUTHERN OUTDOOR SPORTS, INC. sponsored the event. Without their generous support, this event could not happen.

There were 98 boats registered in this tournament.

Team Shull/J. Dowdy finished in 8th place with four fish weighing 8.13 pounds.

Team Padgett/Young finished 23rd with four fish weighing 5.67 pounds.

Team McDaniel/K. Dowdy finished 44th with two fish weighing 3.42 pounds.

In the angler of the year

competition after two events, Team Padgett/Young are in 11th place; Shull/J. Dowdy are in 47th place; and K. Dowdy/McDaniel are in 71st place out of 114 teams.

The anglers and coaches are thankful for their captains for this tournament. Without the captains, the anglers would not be able to participate. Captains for this tournament were Taylor Renfro, Mike McDaniel, and Chuck Brannum. These are guys who enjoy the sport of fishing and are willing to give of their time to encourage these young anglers.

The ZCBT recently participated in their school's homecoming parade; they are also planning to have an entry in the Elba Christmas Parade. Also, October 28 they will have a tent set up at Elba's annual Pumpkins on the Square with a "go fishing" game for candy. These activities are encouraged by Alabama High Bass Nation as community service involvement.

The ZCBT will continue its tournament trail October 23rd on the Alabama River where they hope to reel in the big ones and climb the competition chart on the Wiregrass Student Angler Trail.

Mike McDaniel is organizing a bass tournament as a fundraiser for the ZCBT. It will be December 4, 2021, Lake Jordan, State Ramp.

Ethan Young and Avery Padgett

Entry fee is \$100. Read details by going to the ZCBT Facebook page, or call Mike McDaniel, 494-0804; Larry Campbell, 465-9847; or Dana Haley, 406-0498.

Ways to Support Breast Cancer Patients

October is Breast Cancer Awareness Month. About 276,000 women and 2,600 men will be diagnosed with breast cancer this year. Because breast cancer is so common, it is likely someone you know has been, or will be, affected by the disease.

If you would like to help support those going through breast cancer treatment, here are some ideas:

Donate to charities. You might choose one that focuses on patient support or an organization that does clinical research.

Offer your help. Don't be afraid to offer your specific help to someone going through treatment. Offer some suggestions of things you know they likely need such as drive their kids somewhere, grocery shop, walk the dog or clean their kitchen. And don't forget to keep offering to help. The longer someone is in treatment, the more help they will need.

Donate clothing. Many oncologists welcome gifts of scarves, hats and blankets for their patients. Just ask ones in your area if they are accepting donations.

Write letters and cards. You can send cards or letters to your friends. Write some encouraging notes and drop them at a treatment center for patients to receive.

Drive them to treatment. Appointments can be difficult and fill a cancer patient with anxiety. It can help to have a friendly face to talk to.

Be there to listen. Make sure to check in just to talk and listen, even if it's over the phone or via text. Let the patient know you are thinking about them.

Deliver meals. Chemo treatment is very exhausting. Help provide food by cooking or ordering takeout.

Help motivate them. Tell jokes, talk about the positive things that are going on in your lives, share funny videos, and provide encouragement.

CHURCH & LOCAL NEWS

PASTOR'S CORNER

by Paul Jackson, Pastor

Covenant Community Church
2667 Hickman Avenue, Elba, Alabama

What are you doing with your life?

Good question, right? Have you ever thought much about it? Many haven't.

Thomas Carlyle wrote: "He was born a man and died a grocer." That was his way of saying something priceless had been lost between birth and death. It had missed its very purpose.

Why did you get up this morning? Do you know? Have you ever tried to verbalize the reason for your existence on this planet?

Why not give it a try right now? Take a moment and think about your life and its purpose.

As you contemplate your existence and its meaning, let me remind you of some very important truths about life:

- "It isn't enough to be busy. Ants are busy." —Thoreau
- "It's never too late to be what you could have been." —George Eliot

• "...If you wish to leave the world better than you found it, you must be convinced that you have been put here for a purpose, delegated by God in however small a way, to play a part..." —Father James Keller

• "Here is the test to find whether your mission on earth is finished: If you are alive, it isn't" —Richard Bach

• "Most people spend more time planning Christmas and holidays than they spend planning their life." —Dennis Waitley

Perhaps the words of Jesus about life and purpose are best of all. He simply asks two poignant questions in Mark's gospel (8:36-37, MSG). Read slowly:

"What good would it do to get everything you want and lose the real you?"

What could you ever trade your soul for?"

Don't feel badly if you can't quite yet put your purpose down on paper. And don't be afraid to take a long, hard look at your life, either.

Here's what I believe: You're halfway there if you just start believing that you were created on-purpose, for a purpose—one larger than yourself—one larger than death even. It's not too late!

If you want to talk, I'll listen. I also have a gift for anyone who would like to have it. It's a booklet by Rick Warren titled *What on Earth Am I Here For?* Simply call the church office at 897-2288 and request your free copy. It just might be one of the most important calls you will ever make.

Elba Public Library needs yearbooks for digitizing process underway now

The Elba Public Library is digitizing yearbooks. When digitized, anyone will have access to search, copy and print from yearbooks. The yearbooks also will be searchable by name and dates.

The library only has a small collection of yearbooks, however, and is asked for the community's help in getting more. Therefore, the Elba Public Library is asking to borrow yearbooks for this process.

The yearbooks will be mailed to be scanned, digitized, and returned in the same condition. Yearbooks needed from: Elba 1950-1972, 1991-1994, and 2010 to present; Zion Chapel 1950-present; Kinston 1950-present; and any others from Coffee County.

Contact the Elba Public Library for any questions at (334) 897-6921, library@elbaal.gov or make contact on Facebook.

Drawn by a Friend's Words

In his early adulthood one of my grandfathers was a functioning alcoholic. He worked all week, but when Saturday came, he got drunk. Grandpa was a mean drunk, willing to fight anyone. One day a friend came by and said, "You ought to go down to the church. The preacher can quote more scripture than you can imagine." His friend's challenge struck a chord in Grandpa's heart. He went to the meeting, and he turned to Christ. Life changed for Grandpa and his family. Alcohol was no longer a part of their home. The ripples of this faithful decision are still seen throughout our family. The Samaritan woman's testimony caused waves in her community. She aroused their curiosity sufficiently that they went to hear Jesus. His words caused them to believe in Him. When the story of your life is told, how many people will be able to

Zion Chapel molds entrepreneurs

by Adalyn Breanna
Sanders, 9th grade

Zion Chapel does not only send students off to college and into careers, but it also grows its very own entrepreneurs!

Emma Killingsworth, a 17-year-old junior, recently launched her business making beaded and handmade accessories, keychains, lanyards, pacifier clips, and Bogg bag tags. She became interested in starting to make these items when she was shopping on Etsy one day (an online store) and realized she could make these things herself for a less expensive price.

Killingsworth began her business in July. In addition to promoting her items and trying her hand at new creations for her customers, she is very involved in extracurricular activities. She is the Junior Class Vice President, a member of ASTRA of Jack and Senior Beta Club, a Rebel News contributor, and she is also employed as an after-school aide at ZC.

Another young entrepreneur at Zion Chapel

is Jordan Saunders, a 16-year-old junior, who runs and owns a business called Best Life By Jordan. Her services include hair and makeup for special events (such as pageants and weddings), photography, custom paintings, and polymer clay earrings.

Saunders began her business because she has always been into art and wanted to include multiple aspects that could be utilized and enjoyed by everyone.

Saunders states, "I realized I had a knack for these things, so I figured why not make a business out of it?"

She has been doing makeup and hair since 2019 and has just recently added the other aspects to her business.

Like Killingsworth, Saunders is also very busy as a Senior Beta member, SGA representative, Junior Class Secretary, ASTRA of Jack and FBLA member, a Rebel News contributor, and she is also employed as an after-school aide.

Students donate food and drink items to first responders

by Jordan Saunders,
11th grade

During the week of homecoming at Zion Chapel, the theme was "United We Stand" to honor healthcare workers and first responders that do so much for the local communities.

Grades Kindergarten through 12th donated food and drink items to be made into gift baskets for first responders in the area. These baskets were made by students with the help of guidance counselor Angie Davis, and the items were delivered by members of the Student Government Association. The well-deserving

recipients included: Coffee County Sheriff's Department, Troy Health and Rehab, Enterprise Rescue, Coffee County Jail, Zion Chapel Fire Department, Pike County Sheriff's Department, Troy Regional Medical Center, Medical Center Enterprise, Brundidge Police Department, Elba City Police Department, and Elba Nursing Home.

During such uncertain times, it warms the hearts of those in the ZC community to know they are able to show this support to those on the frontlines of emergencies and in the medical field.

Zion Chapel Alumni Spotlight

by Paden Boothe,
12th grade

Zion Chapel has always been known for its ability to create fond memories of high school for all students who have attended.

Recently, Jordan Saunders conducted an interview with Kevin Allen, a 1996 graduate. She asked him a few questions about his experience at Zion Chapel and obtained useful life advice.

When asked what his favorite memory of high school was, Allen answered with, "having close-knit friends." His answer shows how being a Rebel truly means being a part of a bigger family and creating

bonds with others that can last a lifetime.

After graduating from Zion Chapel, Allen earned his Associate's degree in forestry. He eventually began employment at KW Plastics where he worked his way up to managing the shipping in the logistics department.

Saunders asked, "If you could go back to high school, what would you tell your younger self?"

Allen answered with wise and meaningful words, "It doesn't really matter what you enjoy, just enjoy it while you are young." This is a prime example of enjoying the little things in life and have fun while doing it.

Kennedy Logan, current volleyball coach (left) and Shasta Barron, former volleyball coach (right)

Barron reflects on 20-year tenure as Zion Chapel's volleyball coach

by Reannon Odore,
11th grade

ZC's head volleyball coach for many years recently retired her whistle, and the new head coach is one of her former players. The Rebel News staff interviewed former coach Shasta Barron and new coach Kennedy Logan to see what they had to say about the changes.

Barron had been coaching since 2001. Her volleyball career started while she was a student at Kinston High where she earned a volleyball scholarship. She played one season

at Huntingdon College and then transferred to Enterprise State Junior College where she also played for one season.

After teaching at Zion Chapel and coaching for so many years, she confessed it was a hard decision to end this part of her career. She emphasized her love of coaching but "felt it was time to allow someone else to come in and take over who could lead the girls into greater success."

Barron also coached her daughter, Amberly, in her senior year during her last season, 2020-2021. She said, "even though we didn't have the success we had hoped for last year, we still have the memories."

Kennedy Logan, a former player of Barron, is now the volleyball coach.

According to Barron, Coach Logan was "one of my best players."

When asked how she felt about handing the program over to Coach Logan, Barron said she feels confident that Logan knows the game and will push the girls to get better.

In addition to the lessons learned on the court, Barron was asked what is one lesson she hoped her girls learned from playing for her.

"I hope my girls learned that if you want to be successful, you have to work hard," she said. "It doesn't matter if it's sports, school, a job, or anything else. Hard work pays off. Also, if someone pushes you to be better, it's because they believe in you."

Even though Barron isn't coaching anymore, Zion Chapel is thankful she is still on the staff. Her current position is the Gifted Specialist and Intervention teacher. She loves her job! She enjoys challenging her students to go beyond what they think they're capable of, just like she did her players.

Also, Coach Logan was asked how she felt about taking over the team.

"I have loved coaching this year at my hometown school," she said. "It has been an amazing experience. I do feel the pressure since I know most of the kids and their relatives. I know that they expect a lot out of me."

When asked how she felt about playing for Barron, Logan replied, "I loved playing for Coach Barron. She was an intense coach who pushed us to be the best players we could be."

Logan has truly enjoyed her first year back at her home school of Zion Chapel, and as a former player of Barron's, there is no doubt she will expect the same intensity from the players as Barron did!

Herbert talks move from teacher to secondary instructional coach

by Dayne Bannin,
12th grade

Former high school English teacher, Emily Herbert, recently took on a new position at the school. She is now the secondary instructional coach, but that is not all she does.

Herbert has really adjusted well to this new position, and something new is always a good change.

As all the members on the Rebel News staff are her former students, the staff was curious to know how her role now is different overall from being an English teacher.

"The position shares similarities with teaching, but also includes a wider variety of responsibilities," Herbert said.

Even though she is no longer a classroom teacher, she still calls herself a teacher because her position still requires her to work with teachers and students. Just like any other job in the education field, there are additional responsibilities and jobs for her. If a student, or even a teacher, needs help with anything, she does everything she can to help support and learn with them.

High school English teacher Ashley Storey confirms this.

"I can't tell you how many times I go to her door and

ask her questions and for feedback," Storey said. "She helps me design lessons, analyze data, and set goals for our students. She is the greatest!"

Herbert's new office is across from her old classroom, so students stop in on a regular basis and plan times with her to get extra help or make up missing work.

In addition to working with students, Herbert meets with grade bands and departments to set some goals for growth as a school and really digs into the data. She says that data plays a big part in her everyday routine.

"I work to pull out information that can be used to identify our strengths and weaknesses," she said.

Herbert then takes the necessary actions to overcome the school's struggles for the betterment of the stakeholders.

To cap off the interview, Herbert was asked, "What do you miss most about being in the classroom?"

Her answer, "I miss being with the students the most. We have the best kids, and I love being a part of the 'aha' moments of learning."

It is safe to say she is doing a great job in her new position, and even though the students miss having her in the classroom, they fully support her and wish her the best.

Improvements underway near baseball/softball complex on Zion Chapel campus

by Emma Killingsworth,
11th grade

In Spring 2021, Zion Chapel began the clean-up and removal of trees starting near Highway 87 and spanning back to the steep embankment directly beside the baseball/softball complex.

The embankment created a safety hazard for coaches and players retrieving foul balls from the steep hill.

Therefore, site preparation included the removal of trees along with decreasing elevation of the embankment to improve safety and appear-

ance. The tapering of the bank is expected to alleviate a draining issue, which caused water buildup on the fields. The excess water also became a breeding ground for mosquitoes and other pests.

Sod is now being laid in place of the embankment, and cleanup will soon be complete. This project will be complete before the start of Zion Chapel baseball/softball season.

Zion Chapel coaches and players excitedly await the start of the 2021-2022 season with the much needed improvements.

SPORTS NEWS

Views From The Pressbox

By Ricky Mularz, Sports Editor

Our grandson Lawson had a fun weekend as one of his cousins from Lee County came down for a visit and they stayed up late into the night after the Elba football game Friday night playing video games, board games and wrestling on the floor. I'm not sure how he did wrestling, but I betcha my little man held his own once they turned on the video games.

For what it is worth....

***** The Elba Tigers claimed their fifth straight win** and moved into a three way tie for the top spot in the region standings last week with an exciting 41-25 win over previously undefeated Ariton. The Tigers jumped out to a 20-6 halftime lead and then matched their region rivals point for point in a wild second half to hang on and claim the win in a battle between two 'Top 5' teams in the 2A ranks. Elba had a big night running the football and in the fourth quarter went on a seven-minute drive that included twelve running plays and ended in the endzone. It was the kind of drive that wins championships, and maybe it will help do just that as far as winning the region crown is considered. It was a great atmosphere for a high school football game on both sides of the stadium, and it was special to an old Elba Tiger fan like myself to hear the Elba fans chanting "Elll-Bee" as the final seconds ticked off the clock. One game doesn't make or break a season, but last week's region win made a lot of people dressed in black and gold head home happy.

***** It was a pretty good week** for the teams in the area as Brantley clinched a region crown, Kinston tied a record for wins in a season, New Brockton celebrated homecoming and Zion Chapel scored a season-high 28 points. Here is a quick look back....

**** Brantley continued to make it look easy** against region opponents with a 46-6 romp past Red Level. The Bulldogs had no problems scoring and turned in another dominating offensive performance, and the result was another lopsided region win.

**** Kinston pulled away in the second half** to defeat Pleasant Home 33-18 and in doing so posted its sixth win of the season, which tied the all-time Bulldog record for wins in a season. Kinston travels by ground since it lost its dual-threat quarterback a few weeks back, and last week the path led to the endzone and a big region win.

**** New Brockton hosted Providence Christian** for homecoming, and while the queens and alumni had a big night, the Gamecocks weren't as happy to hear the final horn sound as they dropped their fourth straight game, this time to Providence Christian 34-20. The Gamecocks did get some injured players back in the lineup, but it wasn't enough as they lost yet again.

**** Zion Chapel scored a season high 28 points** in a road game in Cottonwood, but couldn't keep the Bears out of the endzone and dropped a wild 54-28 region contest. The Rebels have yet to win this season, but always play hard and give their fans a reason to be proud. Don't dare doubt that better days are ahead.

***** It was an eventful week** of high school football action across the state as two defending state champs were knocked off their #1 seats and a couple of other teams also made the headlines. Here is a quick look back at the week

that was....

**** Class 1A** – Top-ranked Brantley routed Red Level 46-6 and #2 Sweet Water battered #10 Millry 40-6, while closer to home McKenzie continued its late-season surge with a 44-35 win over Florala and Samson picked up its seventh win of the season with an impressive 34-6 win over winless Georgiana, which has now been outscored 273-75 this season.

**** Class 2A** – Top-ranked Clarke County knocked off #9 Leroy 20-14 and #2 Lanett embarrassed Randolph County 71-8, while closer to home Highland Home clinched a playoff berth despite its 3-5 record with a 49-6 win over Francis Marion, G.W. Long continued to light up the scoreboard in a 49-20 romp past Geneva County, and Luverne spanked Thorsby 48-6 to remain unbeaten and has now allowed only 25 points in seven games.

**** Class 3A** – Top-ranked Fyffe saw its nation-best 51-game winning streak snapped in a 20-19 region loss to Geraldine, while #2 Montgomery Catholic steamrolled #3 Trinity 52-7, #5 Opp was upset by Slocomb, and #9 Flomaton lost to Hillcrest Evergreen 21-9. Closer to home, Goshen fell to Beulah 42-6 and has now been outscored 358-35 in eight games, Pike County lost to Childersburg and has now been outscored 289-50 in a winless season, and Wicksburg jumped back into the region race with a 23-14 win over Houston Academy.

**** Class 4A** – Top-ranked Handley was upset by Anniston 28-27, while #2 Madison Academy defeated New Hope 37-7 and #9 West Limestone lost to Rogers 14-13. Closer to home, Straughn inched closer to a playoff berth with a 19-17 upset win over Alabama Christian and Geneva got its sixth win of the season with a 41-14 win over Bullock County.

**** Class 5A** – Top-ranked Pike Road was idle and #2 Pleasant Grove coasted past John Carroll 42-14, while closer to home Carroll clinched a playoff berth with a 52-22 romp over Charles Henderson, Greenville handed Andalusia its fourth loss of the season in a 28-20 region win, and Rehobeth snapped a six-game losing streak with a 33-22 win over Headland.

**** Class 6A** – Top-ranked Clay-Chalkville outscored #7 Pinson Valley 42-23, #2 Hartselle stomped Hazel Green 56-7 and #10 Jackson-Olin lost to Gardendale 28-20. Closer to home, Eufaula kept its slim playoff hopes alive with a 41-7 region win over Russell County, and Sidney Lanier picked up its eighth win with a 12-6 victory over Carver.

**** Class 7A** – Top-ranked Thompson blanked Oak Mountain 48-0 and #2 Hoover blasted Tuscaloosa County 49-7, while closer to home Enterprise scored 38 points in the first quarter in a 60-40 win over Jeff Davis, and Dothan slipped to 3-5 with a 48-12 loss to Central Phenix City.

**** Ye Ole Polish Prognosticator** was still wearing black and gold when he stopped by the office over the weekend and said he told an Ariton fan that was complaining about how the Purple Cats always get cheated by the refs every time they come to Elba that Friday night's game was the first time in 91 years that Ariton has played in Elba in high school football. He laughed that the fan had a mighty good memory! Anyway, the local guesspert it on 29 of his 34 picks last week and dropped off this week's fearless forecast. Here goes....

ELBA VS. HOUSTON COUNTY

The Pea River felines will be hitch-hiking to near the state line for a mid-week showdown with a litter of kitties that hang out behind a cemetery. The kitties have enjoyed a big season and would like nothing more than to spoil the felines region title hopes. However, the guess here is the felines won't be in any mood to play after the long walk. **ELBA 39 HOUSTON COUNTY 14**

NEW BROCKTON VS. HOUSTON ACADEMY

The roosters from over near the bypass have been losing feathers for the past couple of weeks and may be winging it this week for a Friday night clash with a band of bandits from over in the circle city. The roosters will have their claws sharpened, but it might not be enough to escape with a win.

HOUSTON ACADEMY 38 NEW BROCKTON 21

ZION CHAPEL VS. GENEVA COUNTY

The troops from up at Fort Jack will be back at the fort this weekend and have traps set to snare a pack of wild dogs that have been heading their way. The troops will have their sites set and will be ready to fire. However, there may not be quite enough ammunition.

GENEVA COUNTY 34 ZION CHAPEL 12

KINSTON VS. SAMSON

The bulldogs from down near the county line will take a short hike east looking for a win that will give them a homefield advantage in the upcoming playoffs. The dogs will have to chase a litter of kitties out of their cage to claim a win, and the guess here is that the 'dogs might better find a map for future reference.

SAMSON 27 KINSTON 17

BRANTLEY VS. FLORALA

The bulldogs from up across the creek will be back at the pound this weekend looking to continue it stroll through any and all region opponents, and have their eyes set on a litter of kitties that will try to sneak into town late Friday afternoon. The 'dogs won't cause any harm to any animals in making their latest video, but will run up and down the field.

Elba Tigers face 'must win' region matchup on road

The Elba Tigers will carry their region title hopes to Columbia on Thursday night when they tangle with the much-improved Houston County Lions, in a key region matchup.

Elba leads the all-time series 4-3, has won the last three contests, and last season posted a 40-19 win.

"Houston County has a solid football team on both sides of the ball and will leave nothing on the table in an attempt to knock us out of the top spot in the region," stated Elba Tiger head coach Marc Sieving. "They have claimed five big wins this season after winning just four total

games the past three years, and will be excited to take the field Thursday night. Despite the five wins they are out of the playoff picture. So, this will be their playoff game as they continue to rebuild their program. We know we will get their best game and will have to ready if we are going to accomplish our

goal."

Houston County has posted wins over Northside Methodist 19-13, Florala 21-12, Zion Chapel 28-18, Ashford 50-26 and Abbeville 35-14, while losing to Ariton 49-0, G.W. Long 45-16, Cottonwood 38-22 and Geneva County 40-21.

"We had a very hard

fought and emotional win last week over Ariton and will be playing on a short week," added Coach Sieving, "and will have to refocus in a hurry to make sure we will be ready to play our best game of the season. While it is true we are tied for first in the region and may have a leg up on a region title, a loss to

Houston County will knock us down to the number three spot and put us on the road in the playoffs. We have some players banged up after last week's game, but they will have to answer the bell Thursday night as we attempt to complete a goal of winning the region."

Kickoff for the Thursday night contest will be 7 pm.

Elba Tigers cage 'Cats 41-25

The fifth-ranked Elba Tigers hosted the fourth-ranked and undefeated Ariton Purple Cats Friday night in a Class 2A headliner in front of a large and noisy crowd at Tiger Stadium and gave their fans plenty to cheer about as they moved into a first place tie in the region standings with an exciting 41-25 win.

The two region rivals swapped punts on their initial possessions, but Ariton got its offense in gear on its second series as the Purple Cats went 44 yards in six plays to get on the scoreboard. The score came on a 32-yard pass from Ian Senn to Matthew Harrell, and while the extra-point try failed, Ariton was on top 6-0 with 5:40 left in the first quarter.

Elba began its ensuing possession at the Ariton 22-yardline after a 46-yard kickoff return by Peyton McCart, and four plays later the Tigers were in the endzone. Alvin Henderson rushed for 31 yards on two carries and scored the touchdown on a 14-yard scamper, and while the extra-point try sailed wide, Elba had pulled even at 6-6 with 3:35 remaining in the quarter.

Elba began its initial possession of the second quarter at the Ariton 35-yardline after a short punt and this time needed only one play to reach the endzone as Alvin Henderson took a handoff and raced 35 yards for a Tiger touchdown. Alex Wisecup kicked the extra-point, and with 11:40 left in the second quarter the Tigers were on top 13-6.

Ariton began its ensuing possession near midfield and behind the passing of Ian Senn and the running of Jordan Smith marched to a first down at the Elba 3-yardline. A big hit behind the line of scrimmage by Chrystyle Caldwell slowed the march; however, and three plays later the threat ended when Peyton McCart stepped in front a Purple Cat pass and returned the interception 48 yards to midfield.

Elba failed to cash in the turnover, but regained possession at the Ariton 25-yardline after a 20-yard punt return by Byron Burks, and once again Alvin Henderson broke loose as the freshman running back ramblbed 25 yards for his third touchdown of the half. Wisecup added the extra-point as Elba increased its lead to 20-6 with 2:10 remaining in the second quarter.

Ariton was determined to cut into the Elba lead before the end of the half and rode the arm and legs of Ian Senn to a first down at the Tigers 7-yardline. The Elba defense again stiffened with its back to its own goal line, and when a fourth down pass missed its target the Tigers carried a 20-6 lead in at intermission.

Elba turned the ball over on its second play from scrimmage in the third quarter and Ariton took advantage of the Tiger turnover to head down the field to reach the endzone. Senn completed three of three passes for 59 yards on the 73-yard scoring drive, with the score coming on a 26-yard touchdown toss to Landon Tyler. Senn also added the extra-point, and with 9:59 left in the third quarter Elba's lead was down to 20-13.

Elba began its next offensive series at its own 37-yardline and the Tigers answered the Ariton score with a touchdown of their own to regain command. Brayden Johnson rushed for 10 yards on one carry

and completed two of two passes for 42 yards to spark the scoring drive, with the touchdown coming on a 39-yard pass from Johnson to Peyton McCart. Alex Wisecup kicked the extra-point as the Tigers lead grew to 27-13 with 5:14 remaining in the quarter.

Ariton put the ball in play at the Elba 49-yardline to begin its next possession and covered the distance in five plays to get back into the endzone. Jordan Smith capped the scoring drive with a 13-yard touchdown dash, but the extra-point try failed, and with 3:00 left in the quarter Elba was on top 27-19.

Elba began its ensuing possession near midfield and went 52 yards in just two plays to extend its lead. Chrystyle Caldwell scored the touchdown on a 41-yard run through the Purple Cat defense, and Wisecup again added the extra-point as the Tigers lead went to 34-19 with 2:09 still left in the third quarter.

Ariton had scored on its initial two possessions of the third quarter and promptly made it three for three as the Purple Cats took the ensuing kickoff and went 69 yards in eight plays to again cut into the Elba advantage. Ian Senn connected on two passes for 32 yards to lead the Purple Cats down the field, and it was Senn that capped the drive on the ground when he scampered in from 10 yards out. A two-point pass failed to find its target, and with 8-seconds left in the wild third quarter the Tigers lead stood at 34-25.

Elba began its ensuing possession at its own 30-yardline and drove 70 yards in 11 running plays to extend its lead and ate up over seven minutes off the clock. Brayden Johnson rushed for 17 yards on three carries to help lead the Tigers down the field, while Alvin Henderson added 20 yards on four carries and capped the long scoring drive on a 4-yard touchdown run. Wisecup's extra-point try was true, and with 4:54 remaining on the clock the Tigers were on top 41-25.

Ariton refused to throw in the towel despite the mounting deficit and on its final two possessions reached a first down at the Elba 14-yardline and a fourth down at the Elba 8-yardline. However, a pass interception by Peyton McCart stopped the first

threat, and an incomplete pass ended the second threat, as the Tigers held on to claim the 41-25 region win.

Alvin Henderson rushed for 145 yards and 4 touchdowns to lead the Elba offense, while Chrystyle Caldwell added 53 yards on five carries and scored one td, and Brayden Johnson completed 3 of 7 passes for 37 yards and one td. Peyton McCart

made 8 tackles and had 2 pass interceptions to spark the Tiger defense, while Chrystyle Caldwell added 6 stops and a quarterback sack and Carson Wise added 5 stops.

Ian Senn rushed for 44 yards and one touchdown on 11 carries and completed 15 of 30 passes for 273 yards and two touchdowns to lead Ariton, while Jordan Smith rushed for 96 yards on 19 carries and one td.
